Subject: RE: FW: August Cook Inlet GP Consultations - Request for Travel Funding

Katherine,

We have ARE funds available and will support your travel to the Cook Inlet villages to assist with the government to government consultation efforts.

Please prepare your TA as soon as possible and have your travel preparer contact Marla for the accounting string.

Hanh

Hi Dan and Hanh!

I've just been approved for summer travel to Kodiak. This means I have ETPA funding for a round-trip ticket through Anchorage, more scheduling to do, and it would now cost just \$1,100 for me to travel with and facilitate the Cook Inlet GP consultations. With the complexities of the issues, relationships, and logistics in meeting with 4 tribal councils in 3 days, I think my the value of my participation would exceed the cost substantially. Please consider this my request for \$1,100 in OWW or Resource Extraction funding to facilitate these consultations, and let me know as soon as possible.

Thank you,

Katherine
